WELCOME CLUBS & PILOTS!

This portal offers your club its own web site, and online scheduling system that requires zero programming to maintain or add content. Keeping their sites current with news, pictures, and events has already helped these clubs attract new SSA FAST students, members, and numerous guest flights.

Features

- Internet solution
- Each club/organization gets their own club site
- Manage your club without programming
- Picture pages, document uploads, news and events
- Easily add your members, planes, instructors and mechanics
- Schedule planes and instructors
- Waitlisting
- Automatically scheduled waitlisted members if cancellation occurs
